## Professional profile

I am a software developer with one year of experience at SoftInter. I have a strong understanding of clean and efficient coding practices, including optimizing file structures. My framework development skills encompass Angular and Next.js. Furthermore, I have leveraged JasperSoft to build document management systems. I possess a diverse technology skillset, including TypeScript, SQL, C#, Next.js, React, Node.js, ASP.NET, PostgreSQL, Prisma, Tailwind CSS, Git, Docker, and DBeaver. Currently, I am pursuing a bachelor's degree at Chiang Mai Technical College, and I am passionate about continuous learning to develop high-quality web applications.
